I have read and understand the Terms and Condition applicable to MCB Virtual Banking available on the MCB official website.

I am the single authorized signatory to the following Account: _____

I authorize MCB to issue me a user-id and password for using the MCB Virtual Banking.

I have duly completed and submitted the MCB Virtual application form on the web.

However I cannot go to an MCB ATM for the service activation since I am living in

My postal address is: _____

My email address is: _____

My Form ID is: _____

Please give me the necessary exemption, in order for me to complete the registration and activation formality.

Yours truly,
